That he would've grown up to be such a cute kid??
yes, I'm SUPPOSED to be at school now.
But I'm here cooking breakfast for you!! Why don't you get up earlier?!
smells good!
The only thing I can say is... it's a pity he's a boy.
Once, when I was 16 (and drunk), I managed to get a girl pregnant.
She told me that I had to help her out. THEN she left me with the kid without another word.
Needless to say, my life changed from that time on. But somehow I think... that the child is a gift from god.
And who would've known ....
Hey!! Chiwa!!
What're you still doing here?!
And slowly, 13 years went by.
I raised the kid all the way through high school as well.

Chiwa's never even seen his mother before
of course I will.
How could I ever dislike the things you make—?
How many families have a kid like mine—?
I-I gotta go to school.

So is it good or not ??
I-I feel ..
See, I didn't feel like buying the pre-made ones today
So I made the soap myself. It's probably not that great, but—
like a husband!!
Well, you HAVE to finish it even if you don't like it.

tell me where it hurts
dad..?
let me see
N-no, it's okay!!
I don't think you'll know why anyway...!
And what wouldn't I know about you??
W-what are you talking about?!
What's wrong? You don't seem to like me touching you anymore
Or are you just too old for hugs now ?
I guess it's time to stop treating him like a kid...
Do you know how much I'm in when ever you come near me?!
It's because of you
Why didn't I notice this... before...?
Have I been pushing him away the whole time ...?
What do you mean ... pain ?
I don't know!!

when it hurts, tell me.
